Healing for Victims of Accident and Trauma Sat 10 - Sun 11 November **E H**
We have suffered trauma in many ways in our country. Many have experienced or witnessed accidents, violence, rape, assaults, robberies or kidnapping. We are created with a body, a soul and a spirit (1 Thes 5:23), and when shock occurs, the body may receive medical attention, but often nothing is done to bring healing to the soul or spirit. As a result, many of us are suffering, perhaps years later, with the effects of trauma.
