

12-Day School of Discipleship, Healing & Deliverance

Introduction

Disciples of Jesus are commanded by Him to go in His power and authority to proclaim Kingdom truth and administer healing and deliverance. This ministry school provides a concentrated programme of teaching, followed by some practical ministry experience designed to help equip those who have a heart to bring healing and move into grater personal wholeness. The school is primarily designed for those who desire to be further equipped in their calling to minister to those in need of the healing touch of Jesus. The teaching seeks to establish the truths of the Gospel more deeply into individual lives. Many Christians who are struggling to serve the Lord because of personal difficulties will find that they can also apply these truths to help bring wholeness into their own lives as well as into the lives of others.
