

Weekend Sessions:

Foundations

This introduction covers God's plan for mankind, the Fall, and how God has provided a way for us to come back into relationship with Him through His son Jesus and His plan of Salvation. This is our greatest healing.

Forgiveness

Forgiveness is the 'Gateway to Healing'. In this teaching we look at why we need to forgive, whom we need to forgive and how to walk it out.

Generational Sin

In this session we look at how to remove the rights of the enemy from what has come down our family lines according to Biblical principles and deal with the consequences that have affected us.

Soul Ties

In this session we look at how Godly soul ties are established in relationships and how ungodly soul ties are created. We will demonstrate some of the effects of ungodly soul ties and how we can ask God to cut us free.

Acceptance & Belonging

Each of us needs to know the Father's love and acceptance for ourselves. We will look at why so many of us live as though we are unloved and how God heals people made to give and receive His love.

Lordship of Jesus and the Work of the Holy Spirit

How do we really surrender to make Jesus Lord of every area of our lives? We'll take a closer look at surrender and how we get empowered to live for God.

The Redeeming Heart of God

In this session we'll look at a real life, destined & called, that was affected by failure & brokenness. The real results of what God has done should inspire us all and give us new hope.

Godly Sex & Sexuality

This session will present a clear biblical understanding of God's order and intention for sex and sexual expression to teach and apply principles which lead to healing and restoration of Godly order and joy.

Spiritual Warfare

We have an enemy. The Bible states that he will wreak havoc in every area possible in our lives. How does authority in Christ work? How can I fight for my family, my church, and my business to win this battle?

Foundations of the Healing Ministry Weekend

September 30th – October 2nd 2011

Montréal Chinese Alliance Church

13 Finchley, Hampstead, QC H3X 2Z4

Ellel Ministries is a non-denominational Christian Ministry with a vision to resource and equip the Church by **welcoming people, teaching them about the kingdom of God and healing those in need.** (Luke 9:11).

What Ellel attempts to do can be summed up in the phrase "Bringing the heart of God to the heart of man."

A "Foundations of the Healing Ministry" weekend can provide a powerful focus for unity and growth and an effective means of building up the Body of Christ.
