

Restoring the Healing Ministry

July 18 to 31, 2011

When we read through the Gospels, we usually find Jesus engaged in two activities — He is teaching the people and He is healing them. Today among Christians, there is plenty of teaching, but very few experience God's healing. Often prayer for healing is limited to invitations to come up to the front for prayer, but most of the time nothing changes. The reality is that this approach does not work. Many times we find ourselves in a place where our hearts go out to people, but we don't know how we might minister to them in a way that brings about healing as seen in the life of Jesus.

According to the Great Commission (Matt 28:18-20; Mark 16:15-18), Jesus delegated the responsibility to minister healing and wholeness to every Christian. Like the personal disciples of Jesus two thousand years ago, the Body of Christ needs to be trained and equipped to fulfill its responsibility to minister to those in need of spiritual, emotional, mental and physical healing.

The intent of this training school is for participants to leave encouraged and excited about putting the principles they have learned into practice as they seek to be used by God in the name of Jesus Christ and in the power of the Holy Spirit to minister and pray for others.

This training school is designed to take healing out of the realm of the passive Christian believer and bring healing into the realm of the diligent disciple. Healing is far too often thought of as something that is done to us rather than an active engagement by the one being ministered to in order to remove the barriers to healing. You will be taught how to effectively deal with these barriers which is important for effective and lasting healing. The training will be issue focused and will provide you with ministry keys to various conditions that we have learned about in 25 years of pioneering ministry experience. There will be a mixture of teaching to establish biblical foundations for the healing ministry, demonstration ministry and practical hands-on experience that is issue focused.

“To see lives dramatically turned around was such a privilege and it is amazing to know that God wants to use me and will give me His heart for His broken lambs.”

The Program

The School program will include:

- Lively, concise teaching sessions from teachers experienced in ministering healing and deliverance and discipling others
- Comprehensive notes and worksheets
- Various ways of illustrating the material - PowerPoint's, real life stories, dramas and ministry demonstrations
- Hands-on group work supervised by mature leaders experienced in the ministry
- The opportunity for a limited amount of personal ministry
- Meaningful praise, worship and fellowship

This school has a strong focus on equipping the individual in prayer ministry. While there will be personal ministry through the hands-on group sessions, the emphasis of this school is primarily on training and equipping.

About Ellel Ministries

The Vision

Ellel Ministries is a non-denominational Christian Mission Organization with a vision to resource and equip the Church by *welcoming* people, *teaching* them about the Kingdom of God and *healing* those in need. (Luke 9:11)

The Mission

Our mission is to fulfill this vision throughout the world, as God opens the doors, in accordance with the Great Commission of Jesus and the calling of the Church to proclaim the Kingdom of God by preaching the good news, healing the broken-hearted and setting the captives free. We are, therefore, committed to evangelism, healing, deliverance, discipleship and training. The particular scriptures on which our mission is founded are Isaiah 61:1-7, Luke 9:1-2, Luke 9:11, Matthew 28:18-20, Ephesians 4:12 and 2 Timothy 2:2.

How It All Began

Ellel Ministries arose out of a vision shared by a small group of prayer supporters led by Peter Horrobin in 1986. It has since grown rapidly in response to an increasing worldwide need. Through its centres around the world, *Ellel Ministries* exists to serve the Body of Christ. At the heart of the ministry is a desire to see the Church trained and equipped so that it can do all that God has commanded it to do.

Our Basis of Faith

God is a Trinity. God the Father loves all people. God the Son, Jesus Christ, is Saviour, Healer, Lord and King. God the Holy Spirit indwells Christians and imparts the dynamic power by which they are enabled to continue Christ's ministry. The Bible is the divinely inspired authority in matters of faith, doctrine and conduct, and the basis for teaching.
