

THE TEACHERS

Teachers on the Programme will include:

PETER & FIONA HORROBIN

International Director of Ellel Ministries

Peter's biblical teaching has a strong prophetic edge. His book 'Healing Through Deliverance' establishes the scriptural basis and practical insights for the healing and deliverance ministry. His personal walk with God and his enthusiasm for God's Kingdom to be established is infectious.

Fiona is a founder member of Ellel Ministries, and has many years experience of the healing and deliverance ministry. She brings a special contribution to the programme on how to minister to broken people who have been damaged through abuse and personal traumatic experiences.

MARTIN & GINNY KNAPP

Centre Director of Ellel Grange

Martin & Ginny have been involved with Ellel Ministries since 1991. Martin retired in 1999 from a career in the Royal Navy and, following 9 months training at Ellel Pierrepont, they served for 6 years on the Ellel Pierrepont leadership team. Martin became Centre Director at Ellel Grange in April 2010. They have a heart for taking the vision of Ellel Ministries' key verse (Luke 9:11) out 'to the nations' and have travelled extensively with the ministry.

PAUL & LIZ GRIFFIN

Leadership team and teachers at Ellel Grange

For 20 years Paul and Liz lived as expatriates in South Africa, Bahrain and Japan and were involved in many Christian activities. A growing desire to serve the Lord, led Paul to resign his job and enrol for a three year Bible College course back in England. They became involved with Ellel Ministries in 1991 as part of the Ministry Team. They joined the full time team at Ellel Grange in 1995, where they are members of the Leadership Team, and where they teach and minister to those seeking healing in their lives.

MARGARET & DAVID SYLVESTER

Leadership Team and teachers at Ellel Grange

David was an engineer and lecturer before becoming a Baptist pastor and Margaret was a teacher before joining David in the ministry. On retiring they became involved at Ellel Grange and are actively involved in teaching and ministry and the running of the centre.

There will also be contributions from various members of the Ellel teaching team and our associated teachers. Ellel Ministries reserves the right to vary the teaching team.
