About the School

This is the second Nine Day School at Ellel Ministries Netherlands. It is designed as an introduction to the healing ministry. The teaching will draw together key biblical principles of inner healing, deliverance and discipleship, how they interrelate and are put into practice. The course is an ideal opportunity for those seeking an overview of Christian healing and the place of deliverance in the healing process.

This school will appeal to all those who are excited about following Jesus and have a heart to see others move into the freedom, destiny and wholeness that Jesus has made available to us.

The Program will include:

- Lively, concise teaching sessions from teachers experienced in ministering healing and deliverance and discipling others.
- Comprehensive notes and worksheets.
- Varied ways of illustrating the material, including overheads, real life stories, dramas and ministry demonstrations.
- Group work supervised by mature leaders experienced in the ministry.
- Meaningful praise, worship and fellowship.

Aims of the School

- To build faith and certainty in God's will and power to heal and transform lives.
- To experience healed and changed lives through the convicting and transforming power of the Holy Spirit.
- To demonstrate that healing and discipleship cannot be separated and are integral parts of Christian growth to maturity.
- To bring alive the word of God as living, active and relevant to our everyday lives.
- To equip the saints to do the works of the Kingdom of God.
- To help identify strengths and weaknesses, personal gifting and calling under God, thus enabling personal growth.

Teachers

David Cross

After David found faith in Jesus Christ he found himself increasingly exploring the healing ministry of Jesus in a desire to see true freedom and wholeness to the many damaged lives that exist in the Body of Christ. David is passionate about discovering the truth of God's Word, and seeing the freedom that it brings to damaged lives.

Denise Cross

Denise has been married to David Cross for over 30 years and they have three grown-up children. Together they lead the team at Ellel Glyndley Manor. Denise originally trained as a mathematics teacher, but after a 'Damascus road' experience of the Lord Jesus in 1981, now she delights in teaching the Lord's wonderfully logical truth. Her passion is to stir the hearts of passive believers to appropriate all the benefits of abundant life that their heavenly Father freely offers to each of His children.

A couple of sessions will be taught by people of Ellel Ministries Netherlands.
