ABOUT THE SCHOOL

The 20 Day School

Disciples of Jesus are commanded by Him to go in His power and authority to proclaim Kingdom truth and administer healing and deliverance. This 20 Day School provides a concentrated programme of teaching, followed by some practical ministry experience designed to help equip disciples of Jesus to exercise His commands and move into greater personal wholeness.

This school is primarily designed for those who desire to be further equipped in their calling to minister to those in need of the healing touch of Jesus but who cannot take time out from their busy schedules for a longer period of residential training.

The teaching seeks to establish the truths of the Gospel more deeply into individual lives. Many Christians who are struggling to serve the Lord because of personal difficulties will find they can also apply these truths to help bring wholeness into their own lives as well as into the lives of others.

Huize Baak

In de IJsselvallei, midden tussen de Hanzesteden Doesburg en Zutphen en ver van snelwegen en verkeerslawaaai, ligt het dorpje Baak. Ouder en aanzienlijker dan de huizen en de kerk in het dorp is het monumentale landgoed Baak. In de veertiende eeuw stond op deze plaats vermoedelijk al een versterkt kasteel dat in de achttiende eeuw ingrijpend werd verbouwd tot een voornaam en gerieflijk landhuis.

Sinds de jaren tachtig van de vorige eeuw is Huize Baak in gebruik als conferentie- en ontmoetingscentrum. Het park rond Huize Baak, met veel water en fraaie oude bomen, is weelderig groen. Het binnenterrein is licht en open; de begroeiing rond de gracht zorgt voor beschutting en versterkt de sfeer van rust en harmonie.

Huize Baak is een veilige plek waar u de waarheden van de genezings- en bevrijdingsbediening voor vandaag kunt onderzoeken en in de praktijk brengen..

The Teachers

Teaching on the school is given by members of the Ellel Ministries teaching team approved by the International Director.

The teaching team draw on a rich understanding of God's word and personal experience of His healing in their own and other peoples lives. The Ellel Ministry Team are also trained and experienced both in ministering healing and in training others.

The School Programme

The first two weeks of the school provide core biblical teaching on the healing ministry of Jesus. This lays an essential scriptural base for understanding Kingdom principles in relation to healing. The practical application of those principles to common problems in peoples' lives is then explored. During the last week of the school there will be practical experience of the healing ministry under the supervision of the Ellel Ministry Team.

***Please note:** English will be the language of instruction on the school, but translation into Dutch and German will be available.*

Part 1 - Basic Biblical Teaching

Basic Biblical teaching concerning God's provision for His disciples to administer healing and deliverance. Specific subjects covered are: *Authority and power of Jesus; Moving under the anointing of the Holy Spirit; Wholeness in body, soul and spirit; Prayer and intercession.*

The teaching then focuses on how these basic truths may be applied to common hurts and wounds experienced in life. These include...

- ✦ Achieving a Godly sense of acceptance and belonging.
- ✦ Healing from emotional damage.
- ✦ Healing the human spirit.
- ✦ Renewing mindsets, belief systems and behaviour.
- ✦ Healing from the consequences of trauma.
- ✦ Freedom from ungodly ties and generational iniquity.
- ✦ Freedom from demonic bondage.
- ✦ Freedom from fear and anxiety.
- ✦ Right relationships and Godly expression of sexuality.
- ✦ Principles of prayer ministry

Part 2 - Practical Experience

The teaching covered in the first part of the school is reinforced during this second part, giving opportunity for some practical experience of prayer ministry, both through giving to others and receiving for oneself. During this time you will work alongside experienced Ellel Ministry Team members who will be there to guide and encourage you in the practice of prayer ministry. Ellel Huize Baak provides a safe environment for learning to move under God's authority and power in healing.

Free Time

The school is a full programme of learning, but there will be three separate days set aside for personal free time - to relax at Huize Baak, explore the surrounding area and take time for personal study and prayer.

“I received tremendous and life-changing teaching during the school. Issues I had puzzled over for years became suddenly clear.”
