## ***Personal Transformation – One Day at a Time***

***FIVE different ways of enjoying fellowship and learning!***

***Ellel 365 consists of 52 weekly modules:*** There are five training days in each week of Ellel 365. The sixth day is a *Review Day* - a time for you to go over what has been learnt in the preceding five days. The seventh is a *Devotional Day*.

***Audio:*** On the sixth day of each week you can enhance your Ellel 365 learning experience by listening online to a FREE teaching CD from the *Steps to Life* series.

***Visual:*** On the seventh day of each week you can watch a FREE DVD online and add to your 365 experience the benefit of this valuable extra teaching.

***Interactive:*** Each student will have access to the Ellel Tutorial Team, which will be available to answer written questions relating to the teaching that are not already dealt with in the *Frequently Asked Questions* file. And every four weeks you can enjoy taking an optional online assessment test.

***Relational:*** Ellel 365 Students can choose, if they wish, to be included with up to twelve other students in a **Fellowship Group** from different parts of the world – people with whom they can relate and compare notes about their progress. **Also**, students may have an optional **Ellel Facepage** on which they can choose to share personal information, prayer needs, visions, ambitions and their Christian pilgrimage with anyone they wish.

***Note:*** This is the English language Prospectus. Details for other languages will be published on the website in due course.

### ***The 365 Certificate***

Every fourth week the *Devotional Day* includes an optional, multiple choice, *Online Assessment*, so you can monitor your own progress. You don't have to do the assessments, but they are enjoyable, and will enable you to qualify for the ***Ellel 365 Certificate*** – and the opportunity to obtain a discount off further residential training with Ellel Ministries, ***equivalent to the full cost of your subscription to Ellel 365!***

### ***The Written Modules***

You can choose whether to go online and read each day's training unit from the website **or** receive an advance email once a week containing the seven units of the following week's written material. Teaching that will help you understand more about God, more about yourself, receive God's healing and be equipped to serve God for the rest of your days. Each CD is approximately half an hour in length and the subjects are presented in an order appropriate to the weekly modules, not necessarily in the following order.

*"These teachings transformed my life!" So wrote a young man in South Africa who at the time was away from the Lord and on drugs. Through the Steps to Life CDs, God saved, healed, delivered and transformed his life.*
