

Welcome...

A Personal Note from Peter Horrobin

International Director of Ellel Ministries

"The Lord is my helper . . . He is my strength and my song; he has become my salvation." (from Psalm 118)

Welcome to our new Handbook for 2008. It is full of information about the courses, schools and opportunities to receive help and training through Ellel Ministries.

After more than twenty years of teaching and ministering I am still excited, encouraged and challenged by what God does in the lives of those who come to Him. At our centres around the world people are continually discovering that the Lord is their helper and when they receive His healing He becomes their source of strength and joy. What a privilege to see God at work in so many people's lives.

Many of those who receive the deepest healing do not initially come to receive personal help, but attend a training course or register for the Modular School, a Conference, a specialist school at Blairmore House or NETS. Then they begin to see themselves in a different light through the teaching and recognise the need for bringing their lives into balance alongside God's plumb-line for humanity.

Sometimes the only word that can be used to describe what God has done is *"miracle"*! For it is always a miracle when you see what God does to heal, transform and restore those who choose to follow and serve Him. May I encourage you to look through this Handbook with a renewed interest in finding a Course or a School that is tailored to your personal situation and needs; or, finding out about the Healing Retreats that are provided at all our centres.

Jesus encouraged the disciples to pray, *"Your Kingdom come . . . on earth, as it is in Heaven"* and I believe He is still encouraging us to pray in the same way. God rejoices when His Kingdom authority is established in our lives and we learn to live in the presence and power of His Holy Spirit. In this way we become disciples and are able to enter into the destiny he has prepared for us. We long to see the Christian community rise up in the strength of God to do the works of the Kingdom.

We are constantly hearing the testimonies of those who have been equipped, healed and restored as they have moved forward in their personal Christian pilgrimage. We would love to have you join with us in 2008 and pray you, too, will look forward to moving on with God at one of our Ellel Centres..
