## About Ellel Ministries

Ellel Ministries is a non-denominational Christian mission organisation established in 1986. Its primary purpose is to provide training and personal ministry in Christian healing and discipleship, fulfilling the commission of Jesus to preach the Kingdom of God, heal the sick & set the captives free.

## Our Basis of Faith

God is a Trinity. God the Father loves all people. God the Son, Jesus Christ, is Saviour and Healer, Lord and King. God the Holy Spirit indwells Christians and imparts the dynamic power by which they are enabled to continue Christ's ministry. The Bible is the divinely inspired authority in matters of faith, doctrine and conduct and is the basis for teaching.

BRINGING THE HEART OF GOD TO THE HEART OF MAN

28<sup>th</sup> June – 5<sup>th</sup> July 2008

# 21<sup>ST</sup> CENTURY CHURCH

The role of the church will never change! A body of people, called out by God to be salt and light in the world and to proclaim Kingdom Truth until Jesus comes again!

BUT the environment in which the Church lives and functions has been changing every century for the last 2000 years. And the changes are now taking place so fast it is hard for people to keep up with the continuous challenges of equipping the church for the generation in which we live.

That is why we need a school like this. To enable God's people to be dynamic and relevant for the world we are living in NOW and not just for what the world used to be like!

Our three teachers, Peter Horrobin, Alistair Petrie and Michael Puffett are all forefront leaders in their own fields, who are deeply concerned that the Church should be real and relevant to the people of our day. They will challenge and encourage you in how to be the Church in today's world

This is one of the most exciting and important schools that Ellel has ever sponsored and we urge all those who are concerned that the Body of Christ should be equipped in our generation to do the Kingdom Works of Jesus to come to Blairmore from 28<sup>th</sup> June – 5<sup>th</sup> July 2008.

## THE TEACHERS

Peter Horrobin - Founder and International Director of Ellel Ministries. With extensive experience in church related issues, Peter will be spearheading this school with dynamic biblical teaching on the relevancy and necessity of healing and discipleship in the church today as well as covering topics such as covenant and land issues. Drawing on his experiences from around the world, Peter will bring a fresh look at what 'Church' means in the 21st Century.

Alistair Petrie - Executive Director of Partnership Ministries, Canada. Alistair has ministered extensively around the world and in recent years his main thrust of ministry has been helping the Church to discover the cutting-edge insights of turning an entire community towards Christ. Specialising in land related issues as well as the importance of the church and the marketplace, Alistair brings a wealth of wit and wisdom to this School.

Michael Puffett - Director of Jubilee Ministries, Church of the Nations. Michael is a dynamic and challenging teacher who has a desire to equip and release people into their destiny. He has a passion to see the Church rise up and take its place in the world, not just inside the church building but in the community and business environment as well.
