Welcome...

A Personal Note from Peter Horrobin

International Director of Ellel Ministries

The heart of the work of Ellel Ministries is to bring hope and healing to individuals in a damaged and broken world and to equip and train others to do the same.

Over 3,000 people have attended one of our longer schools. God is using them in so many different ways as they put into practice all that they have learned. Many have written to say how their ministries have been dramatically changed as they began to apply the truths they had learned.

We offer a range of different training schools to suit different people's circumstances. Extended periods of residential training are available through the Nine Week Flagship School at Ellel Grange or the NETS programme at Pierrepont, which can also lead to the Ellel International Diploma.

There are also shorter schools such as the 20 Day School or the one week Specialist Schools. The monthly Modular Schools are designed for those whose commitments do not allow for longer and more intensive periods of training and study. We have included brief details of the Modular Schools in this guide because students who complete both parts of the Modular Schools may enter directly into the second term of the NETS Training Programme at Ellel Pierrepont.

The training and biblically based teaching on all our schools encompasses the fruit and experience of over 20 years in pioneering ministries. Our aim is to impart understanding of key life-transforming principles and to help you apply these in your own life as well as in the lives of those whom you seek to help.

Our centres provide a loving, safe and secure environment in which to study and deepen your own relationship with God. Attending one of our schools has been a life changing experience for many. They have left equipped and on fire, ready to enter into God's purposes and destiny for their lives.

I would encourage you to seriously consider coming on one of these schools. I believe you will be richly blessed by the experience and am sure that you will not be disappointed!

Peter Horrobin
International Director of Ellel Ministries

An Introduction to International Schools

The International Schools are designed for those who desire to be further equipped in applying the truths of the Kingdom of God within the context of healing and discipleship. Keys taught on these schools will prepare and help students to fulfill Christ's commission to proclaim the Kingdom of God, make disciples, heal the sick and set the captives free.

All International Schools provide teaching interspersed with dynamic times of worship, lively interaction, discussion and small group work with experienced leaders. Students almost without exception give testimony of personal healing and growth.

Whilst there will be opportunities for students to receive ministry arising out of the teaching, these schools are not designed for those with deep personal problems who are seeking help only for themselves.

PLEASE NOTE: English is the language of teaching on all International Schools.

The NETS School (6 -12 Months)

The International Discipleship School, held at Ellel Pierrepont

The Luke Nine Eleven Training School (NETS) is the in-depth international training school of Ellel Ministries, providing a comprehensive life-discipleship course. NETS is based on Luke 9:11 in which Jesus welcomed, taught and healed the people. Every NETS school builds a unique sense of belonging to a family and gives students the opportunity to work, live and learn together in a loving, safe and supervised environment which is vital for training. Those who come on the school testify that life is NEVER EVER THE SAME after NETS!

NETS is about taking time out to listen to God, to draw closer to Him, to be equipped to do His work. Knowledge alone cannot result in lasting change: it is the application of the information that brings the transformation and therefore NETS follows the 'HEAR, SEE, DO' model. The Apostle Paul wrote *'Whatever you have learned or received or heard from me, or seen in me – put it into practice'* (Philippians 4:9).

At Pierrepont you will:

- ✦ **HEAR** inspirational, revelatory biblical teaching
- ✦ **SEE** demonstration in healing and deliverance
- ✦ **DO** healing and restoration ministry into the lives of hurting people

Do you long to see people healed and set free when you pray for them? Do you desire more confidence in moving in the gifts of the Holy Spirit? Are you gripped by Jesus' Great Commission? Are you ready for NETS?!!!!!!!

BORN FOR SUCH A TIME AS THIS?

This unique course is for every Christian aged 18 to 80+! who wants to be trained and equipped to follow their destiny in God.

The School Format...

The NETS programme has different options enabling individuals to tailor it to fit in with their personal circumstances and financial budget.

Students can opt to enrol just for the first two terms, which concentrate on the foundations of healing, deliverance and discipleship. Core Bible-based teaching is introduced and developed plus time for practical application, personal ministry experience and church visits.

For those who desire additional training and experience, plus the opportunity to complete the Ellel Ministries Diploma, Terms 3 and 4 of NETS help the individual to identify and develop God's calling in their life. Students are encouraged and mentored in areas such as teaching, worship, prayer, ministry and leadership. Due to the intensive ministry experience of Terms 3 and 4, only those considered spiritually ready will be eligible for entrance to this part of the School, in agreement with the NETS Manager and Ellel Pierrepont Leadership.

My time on NETS has undoubtedly been one of the most significant seasons in my life.
(Arnold - Sierra Leone)

"The training that I've received has just been amazing" (Cheryl - UK)

"...a safe place to learn, a safe place to be, a safe place to cry and a safe place to change."
(JoAnn - USA)

"21st Century ministry requires 21st Century training along with a tool set that equips the Church for what has been called the most challenging and critical time in church history. NETS is undoubtedly one of the most unique and strategic training models offered today. It will equip, enable, and release the people of God into effective and fulfilling ministry. I strongly recommend this school for those who long to see society impacted by the Kingdom of God."

Rev. Dr. Alistair P. Petrie
Executive Director - Partnership Ministries

The 4 Term NETS Programme

The complete four term NETS programme runs twice a year, giving students the option of starting in April or October. Two schools run concurrently, allowing Term 1 and 2 students to come alongside those enrolled on Terms 3 and 4.

The first term of NETS follows the general curriculum of the 9 Week Flagship School (see pages 6-7 for content). Foundational Bible-based teaching combined with tutor groups, healing retreats and practical ministry experience develop a 'sure foundation'. The term runs over 10 weeks with those extras that make the NETS experience so different!

Term 2 leads the students into greater **healing** and **discipleship**, teaching in-depth practical healing and deliverance ministry skills. Church Visits and Healing Retreats are an important part of this term as students are offered the opportunity to go and minister to the wider church body.

The third term is the **mission** and **evangelism** term, giving some students experience in teaching, both at Pierrepont and abroad. Other students are involved in drama, ministry or worship. Outreach evangelism experience in a local town is included plus a two weeks mission trip to another country - previous missions have travelled to Ghana, Kenya, Thailand and South Africa.

Term 4 completes the Diploma Course programme. Concentrating on developing

calling and **giftings**, it presents a variety of experience to fully equip students to take the healing of Jesus into the nations. Four major areas of calling – Teaching, Leadership, Ministry and Prayer - are investigated in depth, through seminars, workshops and practical experience.

All students who finish Term 4 will receive a Certificate of Completion. Those who demonstrate an applied outworking of their learning over the four terms of NETS, through ongoing assessment or dissertation, will be eligible for the Ellel Ministries Diploma.

The Ellel Ministries Diploma

The Ellel Diploma Offers:

- ✧ A Christ-centred learning programme
- ✧ Quantifiable goals and student progression
- ✧ A progressive system of learning and growing in spiritual gifting
- ✧ A study programme suiting the needs and abilities of the individual
- ✧ Incorporation of practical and written evaluation
- ✧ Parity with other Christian study programmes
- ✧ Flexibility in allocating Advance Standing for different personal experience

The Ellel Ministries Diploma in Christian Healing and Discipleship follows seven major teaching themes. As students progress from their initial start point (20 Day School, Modulares A & B, Flagship or NETS Term 1), each theme is developed. Practical, applied experiences, such as ministering on a Healing Retreat, consolidate the teaching.

Each term has specific 'Elements' that contribute towards the Diploma qualification. There are two standard Elements that apply to every term- attending tutorials /groups and keeping a reflective journal.

Elements in Terms 2 to 4 involve practical work and written work. The sum total of the written work over the four terms would be the equivalent of a 10,000 word dissertation.

As an alternative, students enrolled on Term 4 may undertake and complete a 10,000 word dissertation on an agreed aspect of the Christian Healing and Discipleship ministries.

The Seven Major Diploma Themes

- 1 : Foundations and Key Concepts
- 2 : Understanding the Nature and Needs of Man
- 3 : Processes of Healing
- 4 : Understanding Spiritual Forces
- 5 : Praying for and Ministering to Others
- 6 : Healing and Outreach
- 7 : Healing and Destiny

The 20 Day School

Held at Ellel Scotland, Ellel Netherlands, Ellel Africa & Ellel Australia

Disciples of Jesus are commanded by Him to go in His power and authority to proclaim Kingdom truth and administer healing and deliverance. This 20 Day School provides a concentrated programme of teaching, followed by some practical ministry experience designed to help equip disciples of Jesus to exercise His commands and move into greater personal wholeness.

This school is primarily designed for those who desire to be further equipped in their calling to minister to those in need of the healing touch of Jesus but who cannot take time out from their busy schedules for a longer period of residential training.

The teaching seeks to establish the truths of the Gospel more deeply into individual lives. Many Christians who are struggling to serve the Lord because of personal difficulties will find they can also apply these truths to help bring wholeness into their own lives as well as into the lives of others.

The School Programme

The first two weeks of the school provide core biblical teaching on the healing ministry of Jesus. This lays an essential scriptural base for understanding Kingdom principles in relation to healing. The application of those principles to common problems in people's lives is then explored. During part of the last week of the school there will be practical experience of the healing ministry under the supervision of the Ellel Ministry Team.

The 20 Day School is equivalent to part A of the Modular School.

Part 1 Biblical Teaching

Basic Biblical teaching concerning God's provision for His disciples to administer healing and deliverance. Specific subjects covered are: Authority and power of Jesus; Moving under the anointing of the Holy Spirit; Wholeness in body, soul and spirit; Prayer and intercession.

The teaching then focuses on how these basic truths may be applied to common hurts and wounds experienced in life. These include:

"This has been the most significant 20 days that I have experienced in my 25 years as a Christian."

- Healing from the consequences of trauma
- Freedom from ungodly ties and generational iniquity
- Deliverance ministry and how to gain freedom from demonic bondage
- Freedom from fear and anxiety
- Right relationships and Godly expression of sexuality
- Principles of prayer ministry for healing

Part 2 - Practical Experience

The teaching covered in the first part of the school is reinforced during this last week, including three days for practical experience of prayer ministry, both through giving to others and receiving for oneself. During this time you will work alongside experienced Ellel Ministry Team members who will be there to guide and encourage you in the practice of prayer ministry. Ellel Ministries' centres provide a safe environment for learning to move under God's authority and power in healing.

FREE TIME DURING THE SCHOOL

The school is a full programme of learning, but there will be three days set aside for personal free time - to relax, explore and take time for personal study and prayer.

Christian Leadership

at Ellel Scotland

From Vision to Fulfilment. Led by Peter Horrobin and Jim Graham

What better way is there of equipping the Church than equipping its leaders? In these days, there can be heard a deep cry for God-ordained leaders of honesty and integrity. Leaders who can rise to the challenge of leading the Body of Christ who know the call and challenges of serving the Living God and are willing to count the cost of being an under-shepherd to the Great Shepherd.

This course has been developed with these objectives in mind as the necessity of equipping our leaders is becoming more and more vital as the days of this world are shortening. This course is one of deep significance and importance.

at Ellel Scotland

Led by Peter Horrobin, Alistair Petrie & David Cross

The teaching content of this course is of vital importance to the Body of Christ. Ever since the early days of the work we have been learning the importance of cleansing land and buildings. There has been great fruit of this ministry as whole spiritual environments have been transformed through specific prayer, intercession and spiritual warfare.

Alistair Petrie's teaching, illustrated with a wealth of pictorial material, is some of the most profound you will ever hear. This linked with Peter Horrobin's extensive experience in spiritual warfare makes this a school of unusual significance.

School of Prayer & Intercession

A one week course held at Ellel Scotland

The church today is seemingly unaware of the need it has for finding the keys to prevailing prayer: prayer that can change people, churches, communities and nations. This scripturally based school raises the challenge of really living Matthew 6:10, "May your kingdom come, your will be done, on earth as it is in heaven".

Topics covered in this practical school, will include 'How to hear God and know His Voice,' 'What is Soul Power,' 'Hindrances to Effective Prayer,' 'Intercession and Healing,' and 'Preparing to be an Intercessor.'

Ministry in the Marketplace

at Ellel Scotland

Led by Peter Horrobin & Alistair Petrie

The Church was conceived in the Upper Room but birthed in the Marketplace! Marketplace ministries are those activities of the Body of Christ which take the Gospel of evangelism, healing and deliverance into the world's structures, organisations and systems. Marketplace ministries are becoming a major new theme of the 21st Century Church.

The principal teacher on this very special one week school at Ellel Scotland is Alistair Petrie. Alistair has extensive first-hand experience of what is happening in this dynamic extension of Kingdom ministry into the world of business, commerce, health-care and politics.

About Ellel Ministries

Our Vision

Ellel Ministries is a non-denominational Christian Mission Organisation with a vision to resource and equip the Church by welcoming people, teaching them about the Kingdom of God and healing those in need. (Luke 9:11)

Our Mission

Our mission is to fulfil the above vision throughout the world, as God opens the doors, in accordance with the Great Commission of Jesus and the calling of the Church to proclaim the Kingdom of God by preaching the good news, healing the broken-hearted and setting the captives free. We are, therefore, committed to evangelism, healing, deliverance, discipleship and training.

The particular scriptures on which our mission is founded are Isaiah 61:1-7, Luke 9:1-2, Luke 9:11, Matthew 28:18-20, Ephesians 4:12 and 2 Timothy 2:2.

Our Basis of Faith

God is a Trinity. God the Father loves all people. God the Son, Jesus Christ, is Saviour and Healer, Lord and King. God the Holy Spirit indwells Christians and imparts the dynamic power by which they are enabled to continue Christ's ministry. The Bible is the divinely inspired authority in matters of faith, doctrine and conduct, and is the basis for teaching.

Our Financial Policy

As a mission organisation we depend on God to meet the needs of the work through His people. We invite the freewill giving of those who share in the vision for the Ministry to help underwrite the cost of ministering to those in need, teaching and training in the Body of Christ and financing the developing involvement of Ellel Ministries in overseas missions. We never charge for personal ministry or residential stays on Healing Retreats. The charge for training courses is considerably lower than the real cost, so that the teaching can be made available to as many people as possible. Many of our staff are volunteers and only receive a minimal living allowance.

WHAT DOES ELLEL MEAN?

Ellel Ministries took its name from the first building acquired for the work - Ellel Grange. The name Ellel means "All Hail" in Old English, and in Hebrew it means "Towards God"

"Rarely do I find a ministry more equipped to meet the needs of today's society. Earthed in biblical integrity, Ellel presents the Gospel in a meaningful and practical manner, releasing healing into peoples' lives."
