The Luke Nine Eleven Training School

Peter Horrobin, the founding director of Ellel Ministries, had the vision of Pierrepont being a 'teaching hospital', people from all nations being taught and at the same time ministering into people's lives as they come with deep needs.

Personal Notes from Peter Horrobin and Jill Southern

As students give their testimony at the end of each school, I am constantly in awe of how God has brought deep healing to them, established His foundations in their lives, enlarged their vision, and increased their desire to fulfil it.

Come and join students from all over the world in a profoundly life changing time at Ellel Pierrepont. You will not be disappointed!

NETS will equip you to be a Holy Spirit filled disciple, sold out for God, leading a Christ-centred Kingdom life. The scripturally based teaching is life changing, covers a wide range of subjects, and stirs up an excitement and a sense of urgency to take the healing to the lost and broken.

I am personally very excited about the developments in NETS in recent years which have seen the introduction of the fourth term and the Ellel Diploma. Having been privileged to see the transforming power of God in the lives of the NETS students, I encourage you to seriously consider giving God five to ten months of your life to come on the school.

What Does a 21st Century Disciple of Jesus Christ Look Like?

Jesus entrusted the precious things of the Kingdom to His disciples. He is still doing it today. If you are looking to walk in power and learn in a dynamic environment where you see the outworking of Matt 6:10, *"Thy kingdom come....."*; then the **NETS** experience might be just what you are looking for.

NETS is based on Luke 9:11 where Jesus welcomed people, spoke to them about the Kingdom of God, and healed those in need.

When training His disciples Jesus used the **Hear, See, Do** model. A 21st century disciple is no different, which is why on **NETS** we follow the same pattern.

Students from previous schools are serving God in over 65 countries – seeing lives transformed by His power. Jesus started His remarkable mission with just twelve key individuals 2000 years ago. They, with others who followed in their footsteps, have turned the world upside down. At this urgent hour in world history are YOU ready?

NETS will challenge, change and equip you for a lifetime of service. It's time to get out of the boat and see what God will do. It's time for **NETS**!

Unique Training, For Your Unique Purpose, For Such A Time As This!

Matt 4:19

"Come, follow me," Jesus said, "and I will make you fishers of men."

EQUIPPING BEGINS FROM WEEK ONE

Students come from a wide range of backgrounds and experiences from many different parts of the world, but from day one they discover they have a common purpose and are united in their call to step out, follow Jesus and do the things He did.

During the first term you will find:

- A chance to look at the foundations of what you believe and what you have been doing in your Christian walk.
- Dynamic teaching that will challenge and build you up for your future.
- How to get to the roots of issues in people's lives.
- A safe place and a time to reflect.
- God starts to heal YOU along the way.

Your practical training starts as you take part in ministry through Healing Retreats, conferences and workshops. You will work alongside experienced people who will encourage and help you.

Students on the Ellel Ministries Diploma can submit essays as part of their learning.

"... a safe place to learn, a safe place to be, a safe place to cry and a safe place to change."

Teaching takes place in classroom situations, groups, workshops and tutorials. Teaching will be done by members of the Ellel Ministries teaching team under the direction of Peter Horrobin and Jill Southern. We have more than 25 teachers who come from all walks of life and experience.

Matt 7:24

"Therefore everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock."

THE KINGDOM OF GOD IS LIKE A HOUSE BUILT ON SOLID ROCK....

Building on solid foundations you will continue to learn and apply Kingdom principles.

You will have the opportunity to:

- Practically apply what you are learning through Healing Services, Healing Retreats and conferences.
- Minister to the wider church body as part of a team taking teaching and ministry to local churches.
- Receive further teaching on key topics.
- Evangelism

Your confidence will grow as you see God touching lives and using you in many different ways. You will experience a little of what the disciples experienced after Jesus had sent them out, seeing people being set free and strengthened in their walk.

"It was one thing to see people being set free when coming to Pierrepont but to go out to a local church and see the Lord touch and change so many lives was amazing."

TERM 1
LEBW 1

TERM 2
LEBW 2

Matt 28:19 - 20

"Go and make disciples of all nations, baptising them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you."

NETS CHANGES INTO A DIFFERENT GEAR NOW!

By now you have acquired a range of skills and a good grasp of the keys to healing and discipleship. Now it's time to teach and disciple others.

The first part of the term you will be learning:

- How to teach: This may be one-to-one in ministry or, for those who are able, it could be teaching Kingdom principles on a Healing Retreat.
- How to be part of a team: In drama, worship and ministry - relying on others and playing your part.
- How to lead: Where appropriate, students are encouraged to lead in ministry, worship and teaching.

Then you will pack your bags and go on a two week overseas mission putting everything into practice and leaning heavily on God's supernatural ability. This is the highlight of the term and is often a real adventure taking students out of their 'comfort zone'. Previous missions have been to India, South Africa, Thailand, Ghana and Kenya.

TERM 3
LEBW 3

Ellel Pierrepont is a 35 acre estate with beautiful river walks, a football field, outdoor swimming pool, spacious lounges, a well stocked bookshop and computer facilities. It is also surrounded by beautiful English countryside.

John 14:12

"Jesus said: Anyone who has faith in me will do what I have been doing. He will do even greater things than these."

GREATER WORKS THAN THESE YOU WILL DO

Further refining takes place as you really focus on the destiny and purpose that God has called you into. You begin to define what His call on your life is and are mentored and encouraged to embrace this calling and to move into it.

This is done through:-

- Mentoring
- Further teaching
- Extensive ministry practice
- Running events as part of a team
- Leadership training

At the end of Term 4 you will receive a Certificate of Completion. Those who have undertaken an applied outworking of their learning and understanding over the four NETS terms can apply for the Ellel Ministries International Diploma. We also offer a limited number of students the opportunity to attain the Diploma through a written 10,000 word dissertation.

After all of this it's not surprising that **NETS** students say their life is *Never Ever The Same* after **NETS!**

TERM 4
LEBW 4

"What God has done on NETS has been abundantly more than I could ever have imagined. He has changed my name, I am no longer wounded, outcast, lonely and afraid. He is restoring me."
