**RECLAIMING  
THE GROUND  
& SPIRITUAL  
WARFARE**

**at ELLEL SCOTLAND**

## A Personal Note from Peter Horrobin

Since the early days of the work we have been learning the importance of cleansing land and buildings. There has been great fruit of this ministry as whole spiritual environments have been transformed through specific prayer, intercession and spiritual warfare. There are many testimonies from churches and Christian organisations to the spiritual breakthroughs that have taken place through application of the teaching. This aspect of spiritual warfare has received new attention and significance recently through the 'Transformations' videos and many people have been asking for more in-depth teaching on the subject.

The combination of profound teaching on the practicalities of reclaiming the ground, sure-footed journeys through the Scriptures, and the sharing of extensive experience in spiritual warfare makes this a school of unusual significance and of vital importance to the Body of Christ.

## The Structure of the School

There will be teaching sessions throughout each day, including group work led by experienced members of the Ellel team. Sundays will be days of rest and worship, and will include communion as part of Sunday morning devotions.

There will be one day set aside in the middle of the school for recreation, with an opportunity to explore some of the beauties of the Scottish countryside.

## About Blairmore House

Blairmore House is an extremely homely, lovingly restored Victorian country house. It is located in the village of Glass, near Huntly in the Grampian region of Scotland, and is easily accessible from Inverness and Aberdeen. Previously a private home, a boys' school and a corporate retreat centre, Blairmore House provides the perfect setting for an Ellel training school. The accommodation is beautifully appointed and very comfortable, and the school buildings provide excellent teaching and recreational facilities. The peaceful setting of Blairmore House is amongst beautiful Scottish scenery, giving views of heather-clad hills, woodlands, and the River Deveron running close by. This, together with the warmth and comfort of the fully heated house - with log fires in the winter - make it an exceptional place for training and restoration all the year round.
