A VISION

TO SEE GOD'S PEOPLE HEALED,
EQUIPPED AND BEARING FRUIT

A living bridge to a hurting world - Bringing the heart of God to the heart of man

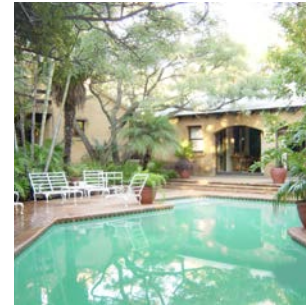

Who We Are ...

Ellel Ministries is a non-denominational Christian ministry that began in England in 1986. It is now established in over 20 countries around the world. It exists to bring God's healing love to those who are struggling with life's issues, and to provide extensive training for those seeking to minister effectively to others.

Many in the Church feel that there is no real answer to the problems they face on a daily basis – such as fear and anxiety, addictions and anger outbursts, long-term consequences of trauma or abuse and relationship dysfunction.

Ellel Ministries is committed to both healing and discipleship, recognizing that these are two sides of the same coin. God is in the business of restoring His people and equipping them to fulfill their destiny as true disciples of Jesus. Over the last 25 years Ellel Ministries International has seen God transform thousands of lives around the world.

Ellel Ministries was first established in the USA in 2005 at English Acres - 140 acres of beautiful land near Tampa, Florida. Having built the pioneering team, Ellel USA is now ready to build the training and ministry center which will serve both the English and Spanish-speaking peoples of the Americas.

PETER HORROBIN

Peter is the founding and International Director of Ellel Ministries. He is also the author of several books on discipleship and healing, including 'Healing Through Deliverance' - a highly regarded book on the Biblical basis and practice of prayer ministry. After studying at Oxford University, Peter spent twenty years lecturing in University and establishing publishing and bookselling businesses. But his primary call was to leave the world of business behind and establish a healing ministry in the north-west of England, which has now grown across the world as God has used its teaching and ministry to transform lives and equip the saints.

*" I feel as if I have waited
all my life to find this place.
It's like an oasis in the
desert where you can be
restored to life again."*

"As the Co-Founders of Elijah House, we have from the beginning of Ellel Ministries looked on it with favor, recognizing Ellel as a sister ministry in Christ. A troubled, broken and confused world needs all the help you can give in the Lord. May God bless and guide you in all you do here in the States - and around the world."

Bearing Fruit ...

Jesus said, "I chose you and appointed you to go and bear fruit - fruit that will last." John 15:16

Ellel Ministries seeks to bring God's healing into each person's life. This not only brings a closer relationship with the Lord but also enables a life of fruitfulness. We do not seek healing for healing's sake, but for a purpose - to discover who we are in Christ and to fulfil the destiny He has for each of us.

"We have been exploring what it means to truly be set free, and we were delighted to have Ellel Ministries come and share with our church leaders. It was such a rich and blessed time. The teaching was solid and biblical, and their focus on healing as an integral part of discipleship made complete sense to us. We would highly recommend Ellel Ministries to other local churches that want to experience the full life that God intended us to live in Christ."

Testimonies from around the World...

"Ellel is one of God's anointed instruments in Asia to powerfully heal so many lives that are locked in sin, pain, oppression, lies and deceptions. Through the biblical teaching and Holy Spirit empowered ministry many thousands are being released into God's destiny and victorious living. God's image is restored in our lives; and we are forever grateful to God for raising up Ellel to work with us in Asia."

Esther Soo, Director of Ellel Ministries' work among the Chinese peoples

"In the ten years since Ellel Ministries was established in Australia, we have seen literally thousands of Christians finding release into healing in spirit, soul and body. People are growing exponentially as disciples of Jesus Christ. This is having a powerful transformational effect on families, the local church, the community, and ultimately the nation."

Paul Watson, Regional Director of Ellel Ministries, Australia and Pacific

"For twenty Years, Ellel Ministries has been working in Eastern Europe and Russia. Right across the region - from Hungary to beyond Siberia - Pastors regularly report how God has used the work to bring healing and personal transformation into their own lives as well as the life of their Church. God has done wonderful things!"

Roger Pook, Regional Director, Central and Eastern Europe

"Having spent a good part of the past two decades investigating and documenting instances of community transformation, I have come to the firm conclusion that corporate revival must of necessity be preceded by individual transformation. And nobody that I am aware of offers a better pathway to this front-end restoration than Ellel Ministries."
