"Ellel Ministries is one of the best-kept secrets in today's church but it's time to let everyone know that this vital outreach is available! Christians today are in desperate need of the emotional and spiritual healing that Ellel offers. I strongly endorse this work. It is a Christ-centered ministry that is helping thousands of people around the world find complete freedom from sinful and addictive behaviors. I am so grateful that Ellel is now bringing their ministry to the United States!"

J. Lee Grady *Editor, Charisma Magazine*

"It has been our privilege to host Ellel Ministries within recent years. Their insights and depth of teaching are much needed for the restoration of the Body of Christ in our time. The work of the Holy Spirit to bring light and biblical truth to hearts and minds in order that freedom in the Lord might result is central to their focus. Peter Horrobin and his staff also have a call to release into ministry those who have received grace and mercy through the Cross of Jesus Christ.

I commend them to you and your prayerful support."

Rev Robert W Burmeister *North Heights Lutheran Church, Minnesota*

"Ellel Ministries has a strong Biblical foundation and the teaching is applied in personal ministry with a real understanding of what is happening in the spiritual realm."

Dr. Charles Kraft *Fuller Theological Seminary*

"I believe that it is absolutely wonderful that Ellel Ministries chose the Plant City region for setting up their ministry resources in the United States. We are truly blessed for the opportunities you bring to our community and nation. We have supported your ministry in prayer and by promoting your conferences and activities for the past 2 years and pray that finances will come in to continue the vision and plans to expand the ministry at English Acres."

Norm Blanton *Somebody Cares Plant City*

"As the Co-Founders of Elijah House, we have from the beginning of Ellel Ministries looked on it with favor, recognizing Ellel as a sister ministry in Christ. A troubled, broken and confused world needs all the help you can give in the Lord. May God bless and guide you in all you do here in the States - and around the world."

John and Paula Sandford *Elijah House Ministries*

"From one Pastor to another, if you have not experienced the ministry of Ellel, then you're missing a blessing both personally and for your church members. Ellel has picked back up the ministry of Jesus in the area of healing and deliverance that the church, for the most part, left behind centuries ago. My life, my wife's life, and our church has been completely transformed as a result of this life-giving ministry!"

Pastor Len Harper *South Brandon Worship Center, Florida*

ABOUT ELLEL MINISTRIES USA

In May 2005 Ellel Ministries purchased 140 acres of beautiful land in Lithia, Florida called English Acres. The vision is to build a residential training and ministry center on the land which will be the USA headquarters. The vision also includes having a Spanish speaking center on the land which will offer training and ministry to those in the Hispanic community of the United States as well as pastors and leaders from South America.

During the development of the center, Healing Retreats are being held on the land and courses (including a Modular School) are being held at a variety of churches around the country.

The Basis of Faith

God is a Trinity. God the Father loves all people. God the Son, Jesus Christ, is Savior, Healer, Lord and King. God the Holy Spirit indwells Christians and imparts the dynamic power by which they are enabled to continue Christ's ministry. The Bible is the divinely inspired authority in matters of faith, doctrine and conduct, and the basis for teaching.

TESTIMONIES

*of lives changed by God through
Ellel Ministries USA*

"Look what the Lord has done!" Mark 5:19

The international work of Ellel Ministries began in the UK in 1986. With centers all over the world the fruit of the ministry speaks of God's amazing love and faithfulness to His people. Ellel Ministries USA was established in Florida in 2005. This short brochure shares just some of the many life-changing testimonies of lives transformed. For more information about this vital ministry and how you can support it, please contact us using the details provided on the back of this brochure.

"After almost 40 years of ministry in the Body of Christ, Ellel Ministries offers the most effective and powerful experiences of healing, deliverance and the realization of one's destiny in Christ of which I have ever been a part. My life and my ministry have never been the same since God's work in me through my association with Ellel Ministries."

Rev. Robert K. Stull Jr.

"Thank you, Ellel Ministries - I'm glad you came to the United States. I am now free to be who God designed me to be. Coming to the Healing Retreat at Ellel USA has catapulted me into a new place with my Maker."

"To our knowledge, it is not possible to locate higher quality training, apprenticeship, and practical application of the ministry of healing and deliverance than that which has been offered internationally by Ellel Ministries."

Peter and Doris Wagner
Leaders of Global Harvest Ministries

"I recently attended the healing retreat in Lithia Florida and it was life changing! Things have truly been different. I appreciate so much the ministry workers and the dignity in which I was treated. Everything from start to finish was wonderful. I am different!"

After much research I became convinced that the ministry and training offered by Ellel not only fulfilled a crying need in our churches for Biblical healing of damaged spirits, emotions and bodies, but it did so in a balanced and sensitive fashion. I know this from the way they have helped those I have referred to them and most of all from the manner in which the Lord has used them to minister God's deep healing into my own life. I have been born again since I was eight years old, I've been involved in church leadership most of my life, I have a Master's Degree in counseling, went through hours of counseling myself in the process of that degree and none of that touched the core healing needs that two sessions with the Ellel ministry team achieved.

Pastor Matthew Moore
Pastor of Worship and Missions, Fishhawk Fellowship Church, Florida

"After 42 years of not sleeping through the night, I found myself at an Ellel Healing Retreat. On that Retreat, the Lord showed me when and why I had not been able to sleep. A traumatic experience had occurred upon returning from my honeymoon. During prayer ministry the Holy Spirit was able to bring release to me from the burdens that had kept me awake all those years. I now sleep through the night and walk in a new sense of freedom that I have never known before. Praise God for Ellel Ministries!"

"Through the ministry of Ellel, God's moved me from paranoia to peace and from fear to freedom. I cannot thank Him enough for using you to address such core issues in my life. He's brought release in ways beyond what I could have imagined. Life is not the same."

"Ellel Ministries is a breath of fresh air. I've been a Christian for 15 years and came to faith through my head. For most of these years my heart longed to be connected to God as my head was. This teaching has begun the process of melting the glass shelf blocking my heart from my head. I look forward to experiencing a Healing Retreat and the new freedom in Christ. I praise God for the Way, the Truth and the Life (John 8:32) found in this ministry."

"Like many people, I knew intellectually that God loved me, but rarely felt the closeness and love that I desired. Since accepting the teaching and ministry of Ellel, I have come to know God's love in a much more personal way. The Truths taught here have reached not just my mind, but also my spirit. I look forward to growing ever more intimate with the Holy Spirit as I apply the teachings of Jesus in the healing of God's children."

"The Lord has used Ellel trainings, Modular Schools and Healing Retreats to bring greater freedom and peace to my life. Now I'm excited for God to utilize me in the lives of church leaders and the life of the church."

"Thank you Ellel Ministries for what you offer here. It is a miracle. I look at my life and I thank God that He brought me here. It means so much."

"I've been coming to Ellel events for about 18 months. I've been met with grace, gentleness, and love that the Lord has continually used to melt hardness and confront strongholds in my heart. The self-rejection and fear that once bound me is being cut away and being replaced with faith and confidence that God is in me and is for me. Praise God for His healing hand in my life!"

"It was an exceptional course – relevant, God oriented and biblically based."

"I just want to say that God has transformed my life. I came from a background of rejection, fear, pain, violence, hate, drug addiction, homosexuality, prostitution, occultism and depression. When I met the Holy Spirit my life completely changed and God has used Ellel Ministries in such a way that has allowed me to see deeper into my life and has brought true healing and deliverance to me. If I could add anything, it is that now I have my life back. I finally feel that I am living again. The love of God has changed me and I am finally free and have found the purpose I am here for. God bless you all. Thank you, Ellel Ministries, for allowing God to use you in such a way."

"I discovered Ellel Ministries at a stagnant time in my Christian walk. Through Ellel, God has poured out His love, healing, acceptance, and growth-producing teaching. At 63 I finally have a grasp of my purpose, destiny and preciousness to God and I am excited about my future with God and Ellel!"

"The ministry I had and the teaching has so changed my life that I will be forever grateful. I know I am on my way to total freedom. I have found a deeper relationship with Jesus than I ever dreamed possible. He has redeemed me from the pit. I am at last able to be me without shame. I finally feel like I am a person capable of being loved by others, just because I am me. Thank you!"

"Thank you for your sensitivity and love which you used to bring this message to us. Hearts have been touched and lives have been changed."

"I was set free from a fear which started when I watched a Dracular movie as a teenager. Since that time I have not been able to sleep with a window open and had to have my sheets pulled right up to my neck - no matter how hot it was! On the course I was set free and since then I've been able to sleep with the window open and have not needed my sheets anymore! Praise God for freedom and healing!"
