About Ellel Ministries

Ellel Ministries is a non-denominational worldwide Christian Mission Organization, established in the UK in 1986 with a vision to resource and equip the Church by welcoming people, teaching them about the Kingdom of God and healing those in need. (Luke 9:11)

Ellel Ministries is now established in Australia, Canada, Colombia, France, Germany, Holland, Hungary (with a mission work which stretches eastwards as far as Siberia), India, Malaysia, New Zealand, Norway, Singapore, South Africa, Sweden, the UK and the USA.

The Basis of Faith

God is a Trinity. God the Father loves all people. God the Son, Jesus Christ, is Savior, Healer, Lord and King. God the Holy Spirit indwells Christians and imparts the dynamic power by which they are enabled to continue Christ's ministry. The Bible is the divinely inspired authority in matters of faith, doctrine and conduct, and the basis for teaching.

Ministry Team Training School

*Discover the missing pieces in how
to minister effectively to others*

*This school has renewed my
passion to see the captives set
free. I've received some great keys
which give more hope for the
hopeless. It was great!*

June 4-8, 2012 - Lithia, Florida

About the School...

This Ministry Team Training School aims to provide an environment that equips Christians to minister more effectively to friends, family or people in their local church.

The teaching will cover many of the most common needs encountered in ministry and life and seeks to address the following...

- *How to get to the root of the problem*
- *How to minister to those who live with the consequences of fear, trauma, rejection & more*
- *How to minister under the anointing of the Holy Spirit*
- *How to minister with decency, order, honor and love*
- *How to identify and avoid the common pitfalls in ministry*
- *How to increase the effectiveness of ministry teams in the local church*

The school aims to teach principles for spirit-led ministry rather than techniques and will share from 25 years of experience ministering to people from around the world with lasting fruit. Mixed with the teaching will be practical workshops for discussion and case-studies as well as question and answer times and demonstration ministry.

The Format of the School

The school will be split into two parts:

Part A will focus on some foundational teachings and will provide a solid framework of guidelines for ministry. Key steps in the healing process will also be identified.

Part B will look at a number of specific issues that are commonly encountered in ministry. Each session will include approximately 30 minutes of teaching and 40 minutes of group work. The teaching will focus on 'how to minister' and the group work will give opportunity to enhance the teaching through practical assignments. There will also be question and answer times during this segment.

Who is the School for?

- Those who have a heart for seeing the healing love of Jesus ministered to those in need.
- People interested in finding out more about what it means to be involved in a ministry team.
- Those already involved in a ministry team, altar team or small group, but would like further training in how to minister to those in need.
